What it does

Three-Section Design

Independently adjustable head and leg sections for precise cervical and lumbar positioning.

Electric Hi-Lo

Motor and actuators raise the table from 22 to 43 inches for comfortable transfers and reduced practitioner strain.

200 kg Capacity

Safe, unwavering support across diverse patients.

Easy Manoeuvrability

Castors with brakes for secure positioning and easy cleaning.

Breathing Hole

In the head section for patient comfort during extended prone treatment.

Robust & Stable

Powder-coated heavy-duty steel frame for superior stability.

Premium Cushioning

Thick high-density foam with a soft top layer; upholstery colour options.

Buying it

Delivery

15–30 days from order confirmation. Prices are ex-works from our factory in Surat; freight, insurance, customs duty and all other shipping costs are paid by the buyer.

Warranty and support

One-year warranty on manufacturing defects, free phone support for the life of the table, and spare parts stocked in Surat.

Export

Shipped worldwide with export documents. Voltage and packaging are specified for your country.

Installation and training

Shipped fully packed; our team guides assembly and set-up by video call at no charge, and operator training by video is included with the robotic systems. On-site installation or training on request, charged at the technician's daily rate plus travel allowance.

Payment

Quoted per configuration. A 50% advance against the proforma invoice confirms the order; the balance is paid before dispatch, by bank transfer or secure payment link. GST invoice supplied.
