What it does

Fixed Height Stability

A consistent, stable platform for repeatable ergonomic posture and predictable adjustment mechanics.

Effortless Tensioning

All drops tension from the right side of the table for precise force control.

Double-Layer Foam Cushioning

A high-density base for effective drop technique with a soft top layer for comfort; Rexine colour of your choice.

Movable Wheels with Brakes

Reposition easily, lock firmly during treatment.

Manual 4-Drop System

Cervical double, thoracic, lumbar and pelvic drops, reset by handle for direct tactile feedback.

Ball-Bearing Drops

Smooth, consistent, virtually maintenance-free operation built for a busy practice.

Adjustable Supports

Adjustable headpiece, handrest and ankle support for optimal patient positioning.

Buying it

Delivery

15–30 days from order confirmation. Prices are ex-works from our factory in Surat; freight, insurance, customs duty and all other shipping costs are paid by the buyer.

Warranty and support

One-year warranty on manufacturing defects, free phone support for the life of the table, and spare parts stocked in Surat.

Export

Shipped worldwide with export documents. Voltage and packaging are specified for your country.

Installation and training

Shipped fully packed; our team guides assembly and set-up by video call at no charge, and operator training by video is included with the robotic systems. On-site installation or training on request, charged at the technician's daily rate plus travel allowance.

Payment

Quoted per configuration. A 50% advance against the proforma invoice confirms the order; the balance is paid before dispatch, by bank transfer or secure payment link. GST invoice supplied.
