What it does

Six Preset Programs

Six preset programs plus a direct decompression program with customisable hold/rest timing and cycles.

Auto Flexion-Extension & Valgus-Varus

Dynamic biomechanical setup tailored to each patient's alignment.

Patient Records

Treatment history stored for each patient.

Robust Construction

Heavy, stable steel structure with customisable cushion colours.

Auto Angle Calibration

Precise, personalised knee positioning for accurate targeting.

Real-Time Charts

Live feedback to monitor and adjust treatment on the fly.

Comfort & Safety

Double-layer foam cushioning, easy strapping and a patient emergency stop switch.

Buying it

Delivery

15–30 days from order confirmation. Prices are ex-works from our factory in Surat; freight, insurance, customs duty and all other shipping costs are paid by the buyer.

Warranty and support

One-year warranty on manufacturing defects, free phone support for the life of the table, and spare parts stocked in Surat.

Export

Shipped worldwide with export documents. Voltage and packaging are specified for your country.

Installation and training

Shipped fully packed; our team guides assembly and set-up by video call at no charge, and operator training by video is included with the robotic systems. On-site installation or training on request, charged at the technician's daily rate plus travel allowance.

Payment

Quoted per configuration. A 50% advance against the proforma invoice confirms the order; the balance is paid before dispatch, by bank transfer or secure payment link. GST invoice supplied.
